## 12 NOON CARTOON CAPERS BY BIRDCAGE STAGE

Cartoon Capers is a hilarious action-packed adventure set inside a giant golden gilded birdcage.

A lovable canary, swinging aerial cats and an acrobatic dog take the audience on a heart-warming journey of silliness and mayhem. Inspired by nostalgic cartoons like Tom & Jerry and Tweetie Pie, the show is a slapstick adventure using aerial circus, physical comedy, and visual theatre. Expect twists and turns, belly laughs and larger than life characters in this joyful show for the whole family.
